# Membership Matters

Members provide **clout**! A large membership means local and state legislators and national policymakers hear our voice.

We need to provide the opportunity for more of our citizens with intellectual and developmental disabilities (I/DD) and their families to have **access** to programs and services, a say in advocacy efforts, and awareness of The Arc Wayne.

With more information comes **awareness**, which is an outgrowth of membership, and awareness is the first step to creating society-wide acceptance of people with I/DD.

We need **members** to fulfill our commitments to those we support. Although membership is a FRIEND-raiser and not a fundraiser, membership dues will help generate funds to support unfunded local programs and services.

**30+ Programs and Services**

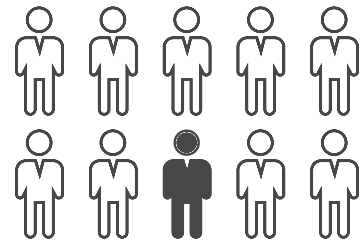

**8 social enterprises**

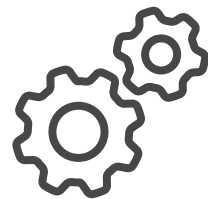

**\$24.9 Million Contributed to Our Local Economy**

**1 in 10 residents in Wayne County have a disability**

**1.7K individuals served**
